BOXED LOTS!

IN COLD STORAGE

ST. LOUIS, MO. MARCH 17th, 1909.

TO THE TRADE:

Weather conditions have been such that we have been able to keep stock in our cellars in better dormant condition than we thought at time we issued Bulletin No. 3 and we have decided to issue a "Last Call" for this stock.

Our last car for St. Louis will leave here about March 25th, and customers desiring stock from our Cellars can be served if they will get their orders here by that date.

We have endeavored to keep our assortment as complete as possible for the benefit of our Southern friends. To them we say, you better order Now. We shall send this stuff to St. Louis March 25

Many new assortments appear in this issue.

If possible name "second choice" in making up your orders.

Quick action on Rush Shipments—orders received as late as 3 P. M. usually shipped same day. (When you are caught short bear this in mind.)

We will hold in Cold Storage as late as April 15th, if desired. Orders booked in rotation as received.

CHERRY, 2 Year

These Cherry are good, bright, clean and sound. Last year we sold a great many of the lighter grades for Transplanting in nursery row. We have letters from these customers saying that the trees gave most satisfactory results and "repeat orders" are coming from them all—pretty good evidence that the stock was right and the transplanting proposition all right. As a whole our Cherry, all grades, are BETTER THAN LAST YEAR.
